

The best souvenir I've brought home is chocolate from Antica Dolceria Bonajuto in Sicily. It is unlike anything I've ever tasted, as it has a wonderful sandy consistency and is very natural. I think it's the world's best chocolate. *Corso Umberto 159, 97015 Modica, Sicily* (+3909-3294 1225; [www.bonajuto.it](http://www.bonajuto.it)).
